When do you plan to begin? Year \_\_\_\_\_

Have you or do you plan to apply for a graduate assistantship? Yes No

Have you requested official transcripts for all previous college credit be sent to the Graduate School? Yes No

**(No action will be taken on your application until transcripts have been received.)**

## **Personal Background**

Attach a separate sheet(s) responding to the following questions, identifying each question by the appropriate letter.

- a. How did you become aware of the MSFS program at ESU and what factors prompted you to apply?
- b. Describe the factors in your personal background or experiences that led you to seek a graduate degree in the forensic sciences.
- c. Describe the type of career you desire after receiving the MSFS degree.
- d. Describe any employment, special training, or experience related to your career goal if applicable.

## **References**

Three references are required from individuals who know your qualifications and can evaluate your potential as a graduate student. If you are presently in school or a recent graduate, request either your advisor or the chair of your major department to complete one of the recommendation forms. The other two recommendation forms can be completed by other science faculty who know you or by an employer.

**References and other application materials are to be returned to the following address:**
